Directions

From 2005 onwards the A1 Motorway has conveniently linked Split with the remainder of Croatia. Depending upon your preferred approach route, you can either choose to join the Motorway from Zagreb, Rijeka or Novo Mesto (Slovenia).

From the Motorway Exit marked "Split" follow the signs marked "Split". After you have travelled for several miles further along the road (down a mountain side), you will then approach a prominent roundabout. At the roundabout, follow the signs marked "Omiš/Dubrovnik." After a further 6 miles / 9.5km (2.1 miles / 3.4km from the border between Split and Podstrana) you will reach the Perišić Guesthouse. The Perišić Guesthouse sign is located on the right-hand side of the road (see picture underneath).
