

	Second Life	Institutional Virtual World
Cost	Good: real money!	Has potential
Time	Nothing to report, really	
Scope	Constrained	Good: lots of resources
Quality	Good: real context!	Not so good
Risk	Good: real risks!	Constructed risks
Communication	Nothing to report, really	
Human Resources	Virtual team building!	No context
Procurement	Good: external provider	No provider
Stakeholder	Good: Linden Labs!	No external stakeholder
Integration	Nothing to offer here.	Some potential?
